Benefits of joining an ABC Committee

Let your voice be heard! Sit among like-minded decision makers when you join a committee at ABC. As a committee member, you will have an insider perspective of the many different initiatives within the Eastern Pennsylvania Chapter.

Most committees meet in various convenient locations near the East Norriton and Lehigh Valley offices on a monthly basis for 1 to 2 hours and consist of anywhere from 5 to 20 members. Getting involved in a committee is a great way to make the most of your membership with ABC. Contact the respective staff liaison to find out when the committee will next meet!
